

Crisp output. Low price. Color printing never looked so good.

**e-studio™180CP**

**TOSHIBA**  
Don't copy. Lead.

Now, there's no excuse not to have color printing capability. The e-STUDIO180CP Color Laser Printer has it all. Brilliant output. Fast print speeds (up to 30 PPM for black & white and 8 PPM for color) and the flexibility to use a variety of media. Plus, First Page Out Time is only 13 seconds for black & white and 19 seconds for color. With this kind of performance, the e-STUDIO180CP isn't an office luxury. It's a necessity.

Designs and specifications subject to change without notice. Actual specifications based on engine design and may vary according to usage and environment. For best results and reliable performance, always use supplies manufactured or designated by Toshiba. Not all options and accessories may be available at the time of product launch. Please contact a local Authorized Toshiba Dealership for availability. Toner yields are estimates, based on 5% coverage, letter-size page. Driver and connectivity feature support varies by client/network operating system.
